Coordinator of Case Management &
Legal Advocacy

Kendall Pasko

Child Advocate

800-495-8078

Did you know Kendall County Women's Shelter offers Non-Residential Services, as well as residential?

Our Non-Residential Services are provided to survivors of domestic violence and their children who are not in need of shelter but who would like access to counseling, support groups, safety planning and legal referrals. Our Coordinator of Case Management and Legal Advocacy, Taylor Breaux, helps clients with obtaining legal assistance, such as protective orders, and safety planning. Callie Williamson, Coordinator of Counseling and Children Services, and Kendall Pasko, Child Advocate, provide individual counseling for adults and children, and ongoing personal support and advocacy.

If you or someone you know is experiencing domestic violence,
please call our

24-Hour Hotline 800-495-8078

or <http://www.kcwstexas.org/services.html>

for support and information on how to access our services.
