Chief Executive Officer

Nestled in historic downtown Boerne, The Cana Ballroom will be filled with over 20 vendors including caterers, restaurants, wineries, breweries and a distillery showcasing their cuisine and libations all to benefit the Kendall County Women's Shelter. Guests will enjoy musical entertainment while networking and browsing through an array of raffle items provided by community supporters

All proceeds from this exclusive event directly benefit KCWS, enabling us to provide emergency shelter and supportive services to victims of domestic violence and their children. The shelter has a 32-bed capacity and remains full throughout the year. All services are free and confidential and are provided in both residential or non-residential settings. These services include:

- crisis intervention
- emergency shelter
- case management
- legal advocacy
- food and nutrition
- child advocacy
- group and individual counseling
- live skills training and more.

Survivors begin their healing process from the moment they call our hotline and receive the essential services they need to build new lives.

Please see enclosed sponsorship opportunities. Feel free to call me or Sonja Gutierrez at 830-331-8950 or via email at hallen@kcwstexas.org or sgutierrez@kcwstexas.org if you have any questions.

Support from our partners enables KCWS to continue the life-saving services and support that we provide to survivors daily. Thank you for your consideration of being part of that team to end domestic violence! We hope to see you at our Sip & Savor tasting event.

Sincerely,

Hattie L. Allen, MPA
Chief Executive Officer
